

# Quinte Royals Baseball

## Parents Code of Conduct

I understand that my child plays for a rep-level team and that playing time is determined by the coaching staff.

I understand the importance of the rules and will ensure my child plays by them.

I will ensure my child interacts with coaches, teammates, executive and umpires with respect.

I understand that the umpire's call is final and I will not make negative comments towards them.

I will not shout out negative comments about the coach from the stands.

I will discuss issues/disagreements with coaches and/or executive members in a calm manner and in a private setting. The 24-hour rule is encouraged prior to discussions.

I understand that the coaches and executive members are volunteers and may make mistakes.

I will be proactive in helping the coaches in a positive manner when they need assistance.

I will encourage my child to always put forth their best efforts, regardless of the circumstances.

I understand that my actions that go against the code of conduct could have me removed from the ball field.

I will respect the coaching staff's decisions and expectations of the team and the parents.
